Teachers College Record
Sociological Methods & Research
Social Studies of Science
SIMULATION
Progress in Reaction Kinetics and Mechanism
echanical Engineers, Part G: Journal of Aerospace Engineering
Engineers, Part E: Journal of Process Mechanical Engineering
Proceedings of the IEEE
New Media & Society
Measurement and Control
Materials Science and Technology
Journal of Marketing Research
Journal of Management
Journal of Learning Disabilities
Journal of Intelligent & Fuzzy Systems
Journal of Fire Protection Engineering
Journal of Educational Computing Research
Journal of Business and Technical Communication
International Journal of Engine Research
Intelligenza Artificiale
Intelligent Decision Technologies
Informatica
EE Transactions on Pattern Analysis and Machine Intelligence
IEEE Transactions on Education
Transactions on Computational Intelligence and AI in Games
IEEE Electromagnetic Compatibility Magazine
IEEE Computer Graphics and Applications
European Journal of Personality
Environment and Planning B: Planning and Design
Educational Researcher
Educational Policy
ECNU Review of Education
Computer
Clinical Psychological Science
Chinese Journal of Sociology
Advances in Structural Engineering
Advances in Mechanical Engineering
Adsorption Science & Technology
